I Wish You Knew

Key C     By Ira and Charlie Louvin

Chorus

C            F
I wish you knew
G
How hard I've tried to tell you.
F                          C
How hard I've tried to get you off my mind
C            F
I wish you knew
G
How hard I've tried to sleep at night
F                          C
Since I know that you're no longer mine
F   G                        C
Since you let another beat my time

Verse

C
If only half the things were true you say about my heart
G
Then I would have forgotten you since we've been apart
C
You said I forced my lips to kiss you when we said goodbye
G
You even said I forced the tears that came into my eyes // (Stop)

Chorus
Break (of chorus)

C
There's not a thought that could be worse than knowing that you're gone
G
But in the picture in your mind I'm never all alone
C
You see me in another's arms just like I've been with you
G
But the way I cry for you each night, I only wish you knew. // (Stop)
